Testimonials

What our customers say about their recent experience and holding their meeting/conference here at The Beachcomber Hotel.

"We used The Beachcomber facilities to run a four day in-house training course for 24 persons. The conference facilities were excellent as was the motel room accommodation conveniently situated in the same building. The meal catering offered variety and was of a high standard, organised by the very friendly, efficient staff. There are also a variety of off- site dining options located nearby. The location of the Beachcomber is close to the airport, the beach & parks which made it an excellent choice."

- Alan, Invercargill

"The staff at The Beachcomber have accommodated us over the last few years and we couldn't be happier! The team are super helpful, nothing is ever a problem. The conference rooms are perfect for our needs and the catering options are extensive - scrumptious options. We always get great comments from our clients. Accommodation is amazing too, lovely rooms and facilities. We are always well looked after - thank you Beachcomber."

10 things to do while you're in Nelson

We absolutely love our location here in beautiful Nelson, there are plenty of things to do and places to see if you have any free time in your conference/meeting schedule.

- 1 Take a walk along the beach.** Tahunanui Beach is just a short stroll from The Beachcomber Hotel and the perfect place to take a break during your stay. We love to visit during low tide and walk along the sandbar.
- 2 Walk your way around.** What better way to see Tahunanui and the city than to spend a day walking and exploring, you're sure to see far more than you would on a drive!
- 3 Relax with a pamper package.** Wind down and enjoy some relaxation at one of Nelson's many day spa's. Why not treat yourself to a massage or facial or even better- a trip to Kimi Ora for a day of massages and spa pools.
- 4 Enjoy a wine tour.** Nelson is filled with beautiful wineries in the area, it's the perfect opportunity to taste some local wine with a tour of the winery it came from.
- 5 Paddle board at Tahunanui Beach.** Stand up paddle boarding has become one of the most popular activities to do here in Nelson, we suggest hiring one from Moana Paddleboards and enjoy a calm day on the ocean.
- 6 Visit the Nelson Market.** Every Saturday morning Nelson is home to the most welcoming market located right in the city centre. There is plenty of local fresh produce, art, food stalls, handmade goods & much more.
- 7 Visit Nelson's unique businesses.** Nelson is home to the famous Pics Peanut Butter factory which offer free tours all year round. Along with McCashins Brewery which is a great spot to enjoy a local drink and have a tour of the factory.
- 8 Explore Cable Bay Adventure Park.** Home to the worlds longest flying fox, Cable Bay Adventure Park is also full of mountain biking, archery, quad biking and much more. Just a short drive from the Beachcomber Hotel and fun for any age.
- 9 Plan an Abel Tasman trip.** One of the most picturesque parts of New Zealand, filled with activities and beaches. If you're up for an adrenaline rush we recommend booking a skydive with Skydive Abel Tasman. Although there are many hikes, bike rides and cafes to enjoy as well.
- 10 Visit Our National Parks.** Nelson is surrounded by beautiful beaches and scenery but it also has many national parks. The Nelson Lakes National Park is the perfect place to escape for a day and immerse yourself in nature. There are plenty of day hikes and places to stop and enjoy the views.
